

TENNESSEE DEPARTMENT OF REVENUE

Government Service Vehicle Registration Application

RV-F1310701 (Rev. 10-18)

PURPOSE: As provided by Tenn. Code Ann. § 55-4-219, vehicles owned or leased by the United States government, the State of Tennessee or any of its political subdivisions, private or volunteer fire departments, senior citizen service centers that meet the standards set by the Commission on Aging for eligibility to receive state funds, human resource agencies and development districts, and community actions agencies are eligible to be registered with government service vehicle registration plates. Vehicles registered with government service plates must be operated exclusively for essential government purposes or exclusively for fire protection purposes. Qualified senior citizen service centers, human resource agencies, development districts, and community action agencies may register vans owned or leased by the organization provided that they are used exclusively for the activities the organization. Independent contractors operating a local transit company may also qualify for government plates under certain conditions per Tenn. Code Ann. § 55-4-219(c)(1).

INSTRUCTIONS: Complete sections A and B and present this form to your local County Clerk's office (local government agency) or to your applicable State office (state or federal agency) when applying for title and/or registration. For additional information, please call 615-741-3101 or visit www.tn.gov/revenue.
